

How to log in to BJN Inform

Go to www.bjninform.com

Via your mobile, tablet or desktop

Click on **'Log In'** in the top right hand corner

Click on **'Log in with OpenAthens'** at the bottom of the page

Start to type in your **NHS Trust** in the search bar, and then click on this institution name when it appears

You will then be taken to the **OpenAthens** log in page; here put in your usual OpenAthens credentials.

You will then be taken back to the **BJN Inform** site and you will be prompted to create a personal account on your first visit

You now have access to **BJN inform**

Have a browse of the site, for example, taking a look at the following:

Clinical A-Z articles
(conditions and procedures)
