

BJN inform

Provide outstanding nursing care with BJN inform in your pocket

Consume critical reference and development resources in simple, bite-sized chunks – unlike a journal

A-Z reference at your fingertips

Find quickly consumable reference material on conditions and procedures.

Career and wellbeing advice

Supplement your personal and career growth; and find tips on resilience.

Person-centred care

Understand your patients and learn about evidence-based best practice care.

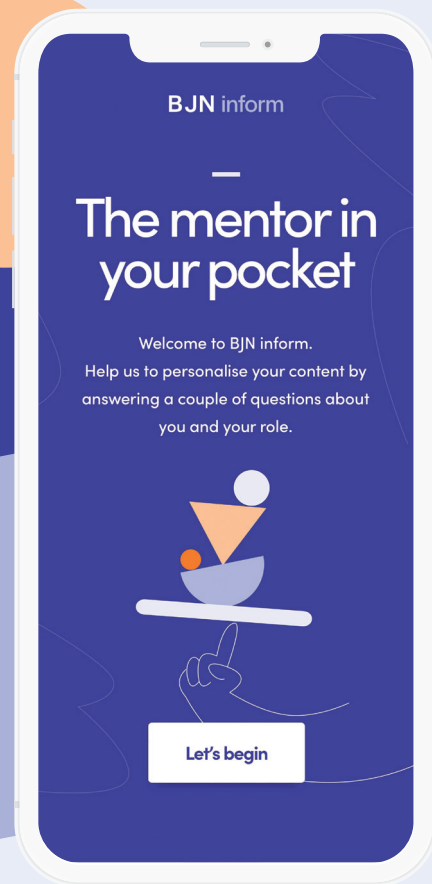

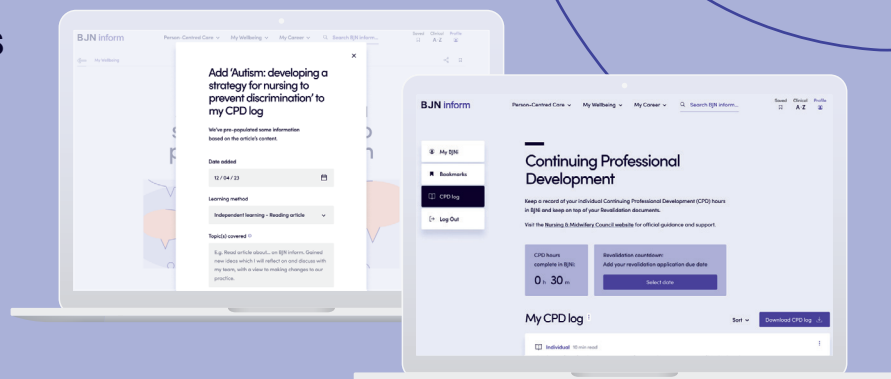

Accessible for everyone

Access content using the in-built screen reader, smart contrast, and other tools.

Boost your CPD progress for nurse revalidation

Fulfil your personal CPD requirements for revalidation – simply track reading hours on BJN inform and download CPD logs to add to any portfolio.

Request a full online demo, or a free trial for your organisation.
